

# TRADITIONAL NATIONAL CONTEST KNOWS IT'S WINNERS!

On Wednesday, the 24<sup>th</sup> of November 2010, during a Ceremonial act held at Prague's beautiful Žofín palace, the titles and major awards of the 8th edition of the national contest called Czech energetical and ecological project / Czech energetical and ecological building 2009 were handed over to it's winners. Out of a final record-breaking amount of 56 application, which means a 38% annual increase, the commission awarded with a special title without ranking 4 projects and 3 buildings. At the same time, the next year's contest has been announced – the 9th edition for 2010 – with the auspices of the Czech Prime Minister, Mr. Petr Nečas.

All the projects and buildings awarded in this years edition were publicly presented for all interested people between November 23 and 27, 2010 during the international fair
